pls advise the box size/shape/ logo/ finish/packing and the material

**quotation**

FOB, CIF, DDU, DDP, we can offer based on your request

**sample**

if price accepted, we'll make sample for your confirmation

**sign contract**

after sample confirmed, let's sign the contract

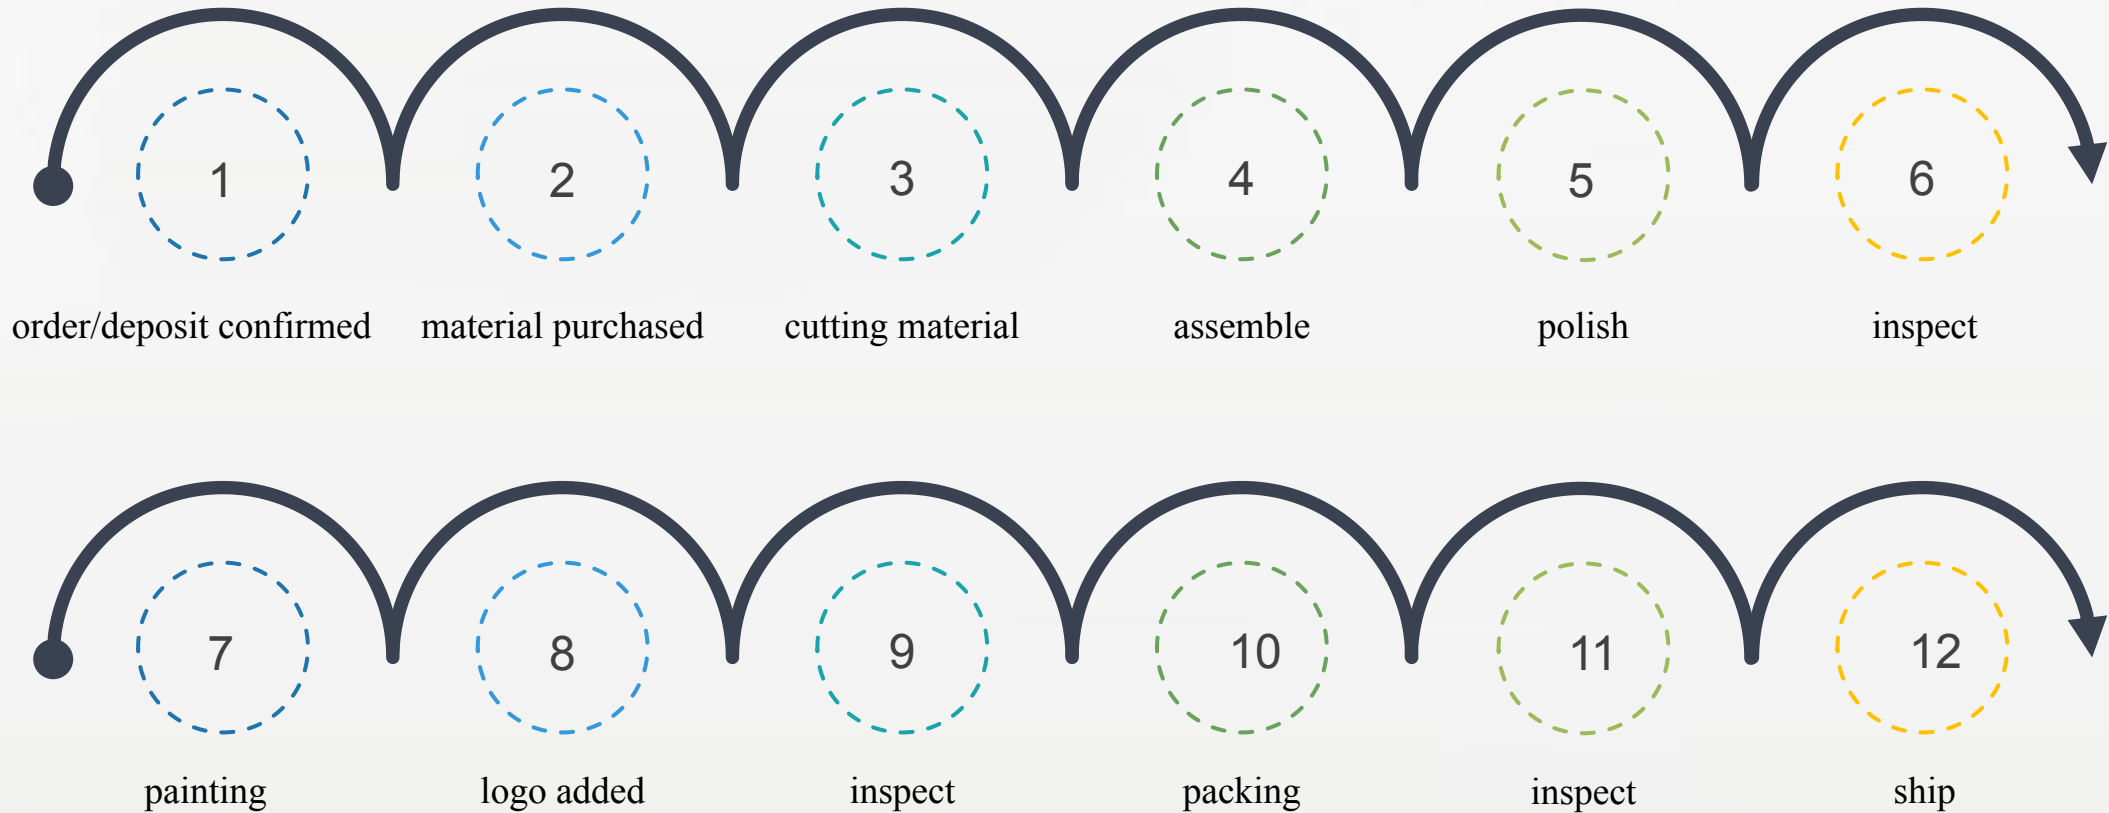

**start the order**

so happy we move to this step, we'll start the production

**delivery**

after your inspection, cargo delivered

## PRODUCTION PROCESS

## THREE TIMES INSPECTIONS

### **first inspection:**

after assemble the box, our QC will inspect the goods, double check and confirm each size, then move to next step

### **second inspection:**

after painting or logo added, we'll inspect if the logo is correct or if the painting is good enough, if there's any defectives, we'll pick out, then move to packing part

### **third inspection:**

it happens before shipping, to guarantee that the cargo is ok to ship, this is the last inspection

These three times inspections can decreased the defectives largely, also give our clients promise that order from us, like they order from their own factory
